Business Services for Subscribers

Appreciation must be expressed for the number and the quality of the advertisements in this issue. Without the revenue derived from this source, the price of The Directory to its subscribers would be prohibitive. The advertisements in the front and rear sections have been carefully selected and scrutinized to the end that their statements may be accepted with confidence.

The serviceable *Classified Buyers Guide* has been expanded by the addition of many new advertisers, so that the 809 different product and service classifications present a greater choice than ever before. Almost any product or service needed by church, school or institution, is indexed in the thousands of source listings which follow.

Whenever you want to know "who makes it," "who supplies it," or "who can do it" — consult this *Buyers Guide* presented below for your greater convenience. Subscribers who make it a practice to study the *Classified Index* and the announcements to which it is the key, find it quickly solves their problems of supply, equipment and maintenance.

More Informative Advertisements

The Directory, in its completely new and much larger dress has been enthusiastically received by subscribers and advertisers alike. It has proven a handier volume and much more serviceable, since the 45% larger advertisements, like the other pages of the book, present completer information in a more readable format.

Some advertisers have appeared in The Directory for 100 years! Many more, for generations, and others are represented for the first or second time. All are qualified and ready to serve you and ***your mention*** of THE OFFICIAL CATHOLIC DIRECTORY when responding, will be helpful to you and most welcome to the advertisers and the publishers.

Every subscriber can get extra value from this Directory by first consulting the *Classified Index* and the advertisements; if you do not find exactly what you seek, just use the convenient postpaid Information Request Cards, facing the back cover. There is no charge for this service.

43,722 Reasons Why

"they are the Perfect Solution of Our Mailing List Problems!"

Many of those, who in the past have had to depend entirely upon the pages of this Directory for their mailing lists of the Reverend Clergy and Institutional Superiors, are now enthusiastic and regular users of *The Official Catholic Directory Mailing Lists* because of their outstanding and exclusive features.

Serving the Church Since 1817

O. C. D. Mailing Lists

are AUTHORITATIVE and OFFICIAL LISTS

FULLY SELECTIVE • ACCURATE • COMPLETE
UP-TO-DATE • CORRECT IN ALL DETAILS
FAST, EASY AND INEXPENSIVE TO USE

★ Over 43,700 clean-cut metal plates include all pastors; individual clergy; all institutions, religious, educational and welfare, in 5 main lists and many special classifications, fully selective not only by states but also by separate dioceses.

★ The addressing plates carry the full name of the individual, ***with the proper ecclesiastical rank and title,*** as well as the correct initials of the Religious Order wherever appropriate.

★ The accuracy of O. C. D. Lists ***is maintained by continuing reports from official sources*** of all changes as they become effective; it is thus now possible to compliment the recipients of your letters by addressing them properly in every instance by their individual names and correct titles.

★ O. C. D. Lists are used by the United States Government, by members of the Hierarchy, national bureaus and other activities of the Church, many Religious Orders, Catholic and general publications, as well as business houses who wish to address, quickly and correctly, the personnel of the Church in the 48 states. This service is available only to reputable concerns and its indiscriminate use is not permitted.

★ ***Before*** you plan your next mailing, study the manifold, unique features, the speed and economy of O. C. D. Addressing and Mailing Services. For latest list counts, rates, instructions, samples and other data write or phone

CARILLONIC BELLS

provide complete flexibility in the liturgical use of bells

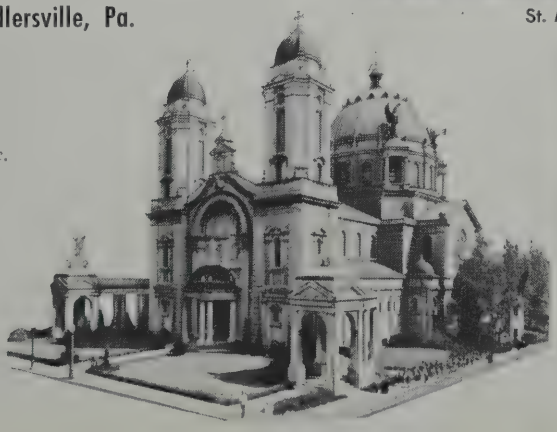
The North American College, Rome, Italy

Holy Name Cathedral
Chicago, Ill.

Loyola University, Chicago, Ill.

Every year sees new acceptance for these fine bell instruments by large and small churches throughout the world. The reasons for this are many.

- "Carillonic Bells" can be put to more liturgical uses than any other bells or chimes.
- They can be installed in any place, in a church of *any size*, with or without a tower.
- "Carillonic Bells" may be played manually or automatically, sounding a single note or as many as sixty-one. By clock-control, such functions as Angelus Call, Mass Call and Tolling can be provided at any pre-set time.



Listen to a "Carillonic Bell" installation near you. You'll readily understand how the richest and clearest bell tones can be enjoyed in *your* parish. For complete information on the bells to meet your needs write—

DURA-DÉCOR

now offers a unique combination fabric for Church and School Draperies and Stage Curtains

DURA-DECOR Window-Drapes (left) and Stage Curtains (rear)

DURA-DECOR Audio-Visual Drapes are shown open for decorative daylight conditions.

These same DURA-DECOR room-darkening drapes provide a dual function with one installation—are closed for audio-visual education.

BEAUTIFUL • • • NO UPKEEP BUDGET • • •
PERMANENTLY AND COMPLETELY FIRE-SAFE

DURA-DECOR coated Fiberglas* curtain and drapery fabrics—in many beautiful colors and distinctive patterns—offer Churches and Schools a unique combination of properties found in no other textile material. DURA-DECOR Fabrics are made of Fiberglas reinforcing cloth—which is woven of strong, pliable, inorganic glass yarns—coated with a long-life synthetic resin.

Permanently fire-resistant DURA-DECOR Stage Curtains, Window Drapes and A-V Darkening Curtains withstand abusive and abnormal wear—unequalled tearing and puncture strength because of the Fiberglas base—will not sag, bag, shrink or stretch, nor will they crack, peel or harden. The surface of DURA-DECOR Fabrics cannot catch and accumulate highly flammable lint and dust as do "fuzzy", hazardous fabrics. Excellent draping qualities are characteristic of DURA-DECOR Fabrics.

Once installed, DURA-DECOR Curtains and Drapes make operating budgets go much further. No cleaning problems because there's no absorption of dirt. Even severe soiling washes off with soap and water. *Just clean the spot* with curtains and drapes *in place.*

Beautiful DURA-DÉCOR Fabrics are adaptable for many uses

Stage Curtains • Window Drapes • Audio-Visual Room-Darkening Curtains • Room Dividers • Decorative Drapes • Partitioning Curtains • Screening Drapes • Canopies and Valances • Dual Purpose Rooms

DURA-DÉCOR

fabrics offer all these

FOREVER FIRE-RESISTANT — DURA-DECOR Fabrics provide permanent fire-safety . . . no doubtful, costly flame-proofing treatments. In case of an on-stage fire, the Fiberglas reinforcing cloth actually *acts as a fire barrier* — could prevent the spread of fire to the auditorium!

GOODBYE TO CLEANING PROBLEMS — The surfaces of DURA-DECOR Fabrics do not catch dangerous lint and dust, do not absorb dirts (of particular value to gym-auditorium or gym-cafeteria combinations)—infinitely more sanitary. Soap and water remove severe soiling; curtains and drapes need not be taken down.

LONGER LIFE — DURA-DECOR Fabrics are unusually tough, made for extra years of service. No nap to scuff or wear off—no exposed yarn to break, snag or ravel. No mildewing or rotting.

LASTING NEW APPEARANCE—Because DURA-DECOR Fabrics never have to be flame-proofed or dry cleaned, "streaking," "circles," crease and handling marks are avoided. No color dyes are used—*fading* problems are *eliminated*. They keep their "like new" appearance.

* Woven of Fiberglas (T.M. Reg. U. S. Pat. Off. Owens-Corning Fiberglas Corporation) Yarns.

An approved Major Decorating Studio in your vicinity is qualified to adapt DURA-DECOR Fabrics to your needs. For the name and address of the Studio nearest you displaying this seal of approval and for further information on DURA-DECOR Fabrics, please write Duracote Corporation, Department OCD

MAKE THE DIFFERENCE

The irreplaceable part of every product is the name and reputation of the maker! Today, the name Kewanee stands for the best in steel boilers . . . as it has for over 80 years. And that is true because Kewanee puts more into them . . . more engineering, more material, more labor and more experience. Owners *expect to get and do get more from them.*

Kewanee Type "C", selected for Saint Stephen School, Saginaw, Michigan, is outstanding among boilers for low-pressure heating. The Kewanee *Corrugated Crown Sheet* adds strength and exposes more heating surface to the hottest part of the fire, so it is a very fast steamer. Compact in design it requires less floor space, yet operates with complete efficiency even when pushed well beyond its rated capacity.

OWNED AND OPERATED BY THE BROTHERS OF THE CHRISTIAN SCHOOLS P.O. BOX 420, NAPA, CALIF.

These gleaming symbols of faith are beautifully and authentically designed — as are all candles bearing the superior stamp of Cathedral Candle workmanship.

The purest materials are selected to correctly and sacredly express the liturgical purpose of these beloved symbols of the church.

In every Cathedral Candle particular care is taken in the manufacture to preserve the three parts of the true burning candle — the wax, representing the spotless Body of Christ; the wick, His Soul; the flame, His Divinity — the Light of Life.

The devotional perfection of Cathedral Candles is never marred or altered by any artificial means.

THE MAGIC TEACHER PUZZLE-PLANS

The Magic Teacher PUZZLE-PLANS, for teaching beginners, are based upon a very simple, yet marvelously effective and psychologically sound, teaching procedure. Their underlying principle is the idea of matching the separate question and answer parts of carefully constructed sets of cards which have been die-cut with jig-saw patterns. The child has to make the associations correctly because each card or item has a different matching pattern. The puzzle element holds his attention and the matching patterns serve as connecting links until the answers have been learned. Each set comes in a durable box 5 in. by 8 in. in size with three-color design and complete instructions printed on the bottom of the box.

THE MAGIC TEACHER PRACTICE PATTERNS

5 Sets for —
ADDITION

DIVISION
MIXED DRILL

There are five different sets of these new PRACTICE PATTERNS, affording unlimited drill in the four basic skills of ADDITION, SUBTRACTION, MULTIPLICATION, and DIVISION. A set consists of four cards, each 5 in. by 8 in. The cards are die-cut so that a small rectangular window appears below each problem. The pupil places the card on a sheet of blank paper and writes each answer in the window. The correct answers are printed on the reverse side. By turning the card over, end for end, these correct answers appear just below the pupil's written answers, making self-checking very easy. There are four different cards in a Set and each box contains four Sets — a total of sixteen cards.

Beautifies Terrazzo Corridors with HILLYARD TERRAZZINE

Nine years ago during building construction, these green terrazzo corridors were treated with Hillyard Terrazzine . . . right after rough stoning. This slowed drying time and protected new installation from crumbling. Since then, these corridors have been economically and safely maintained with Hillyard Super Shine-All, the neutral chemical cleaner.

Positive Protection against water and air infiltration!

During quality control tests on ADLAKE Windows, 500 gallons of water a minute are played on the glass...and not a drop comes through. In another test, wind pressure equivalent to 97 M.P.H. on one side of the window did not cause the slightest draft on the other!

Tests like these prove that ADLAKE's exclusive combination of woven-pile weather stripping and patented serrated guides form a positive seal against wind, rain, and cold. And that seal will last!

No Painting or Maintenance!

Because of their sleek appearance, ADLAKE Aluminum Windows never need be painted or maintained, other than by routine washing. In many buildings ADLAKE Windows have already saved enough in maintenance costs to pay for themselves!

KEEP MOISTURE OUT

Raise a protective umbrella over your cherished church buildings — stop moisture-damage before it causes costly repairs!

Church buildings constructed of limestone, brick, terra cotta, concrete or artificial cast stone are subject to moisture-damage, unless they have been adequately weather-proofed and waterproofed.

Archbishop's Residence, Brighton, Massachusetts, protected by Western's "Resto-Crete"* Waterproofing and Weatherproofing Treatment, the work being done for His Excellency, Most Reverend Richard J. Cushing, D.D., Archbishop of Boston.

At the first sign of leakage or seepage — and before the need of costly repairs can develop — call in our engineers to make a survey and report on your buildings. There's no obligation. Just call our nearest office for prompt attention.

Year's report of a Company Built on Friendship

AT this time of year The Home Insurance Company reports on its activities of the previous year. The figures, the numbers, the dollars and cents have been summed up. They show the financial position of the Company and they have much interest for investors and stockholders. That is proper.

But insurance is a great deal more important than just dollars and cents. Insurance deals with *people*. You can't show on a balance sheet what it means to a man when fire or other catastrophe wipes out his life's work. You can't put a price on protection that enables you to work and plan for the future with assurance that it won't all be undone at a single stroke. In human values, the services of insurance are almost beyond the ordinary yardsticks of price and value received.

More than almost any other type of business, insurance is based on the true principles of friendship. The first attribute of a friend is that he will come to your aid when you need it most—and that is exactly what insurance is designed to do. Secondly, a friend is somebody you know, somebody who is interested in *you*. In practically every city, town and village across the nation there is a representative of The Home. He *is* The Home. Through him, the Company extends its protection to you. Through him, when loss occurs, that guarantee is made good. Through him, The Home is *your* friend.

On the eve of celebrating our 100th birthday, we look back on 1952 as an eventful and resultful year for The Home Insurance Company. It is a great satisfaction to all in The Home family — employee and management, producer and stockholder — to know that their year's work can be counted in terms of good things for many people . . . suffering averted, troubles overcome, peace of mind for people everywhere.

Villa San Francesco, Rome, Italy, Generalate of the Franciscan Tertiaries of the Holy Cross (O. S. F.)

"Since the installation of the Electric BALDWIN ORGAN here at Villa S. Francesco, Rome, I have had occasion to observe in your instrument the exceptional fine resonant tone which in particular is so desirable to the sacred service.

"I congratulate you upon your extraordinary technical and artistic achievement. It is a significant contribution to church instruments of that type.

A weatherproof City—built from 1923 to 1953

If ALL THE buildings the Rockwell Newman Company has made *permanently* weatherproof during the last thirty years could, by some magic, be brought together, they would form a good sized city.

You would see miles of walls that won't let a single drop of rain seep through their brick and stone masonry joints. The owners and managers of these structures will attest that fact.

More than 2260 churches, rectories and schools, more than 440 banks, and numerous factories, apartment houses, hotels, city halls and libraries — all have one thing in common: they were made *permanently* weatherproof by the Rockwell Newman Company's never-failing method.

The method is simple: Trained mechanics use special, high-speed tools to remove bad, crumbling mortar from the masonry joints of outside walls through which water leakage can cause costly damage to interior walls. Ordinary masons cannot do this job as efficiently as our skilled men. Our method might not be the cheapest; but it is assuredly the most economical.

We will gladly inspect your property and submit an estimate.

the WILL-BURT stoker

The school and auditorium of Our Lady of Sorrows Church, Farmington, Michigan, shown above, has gained considerable attention and praise for its modern architectural design. Of the Will-Burt stoker installed there, Father Thomas P. Beahan, Pastor, says, "I am pleased to report that the Will-Burt stoker used in heating our school and auditorium has proven to be adequate and very satisfactory."

Shown in the lower of the two illustrations, St. Anthony's Church, Louisville, Kentucky, is of more traditional architecture, and here again two Will-Burt stokers are providing trouble-free heating. Father Theodore Eichholtz, Pastor, states, ". . . our stokers are giving entire satisfaction and are operating perfectly in every way."

These are only two of the many Churches and Church-owned buildings where Will-Burt stokers are serving efficiently. Will-Burt stokers are available in the right size and style to fit the requirements of practically any installation, whether in a large Church, school or hospital—or a small, residential-type building.

HOLT maple flooring

THE PROVEN FLOOR FOR SCHOOLS

Pictured above is a very successful Maple Floor made from Holt 25/32 x 1½ random length MFMA 3rd Grade, which was cut into 10-9/16" single slats at the job, and laid in block pattern.

This floor is laid on a concrete slab in a parochial recreational building. Because of the use of this 3rd Grade the cost of the completed floor was relatively low . . . and thanks to careful attention in the laying operation a beautiful, long-wearing floor has resulted.

Also— because this is a Hard Maple floor the maximum has been attained in resilience, liveliness, and warmth — coupled with the fact that the wood floor is the most comfortable, and the least fatiguing, for feet and legs, of any material used for this purpose. The story of the laying of this floor may be of special interest to you . . . ask us about it if you would like the information.

Our Policy

We believe that the integrity and dignity of a Catholic campaign must be worthy of the Church it serves. We recommend programs only where the need is genuine for the advancement of the Church and the welfare of the people. We recommend to clients a reasonable goal which can be attained and usually surpassed, leaving with those who participate a justifiable pride in their united achievement. We demonstrate our confidence in our methods and in the wide experience of our executive directors by providing in our contracts for a proportionate refund of our fee if in any case and for any reason the goal is not attained. This provision, we sincerely believe, offers a degree of fairness to clients unequalled in the fund raising field.

Distinguished Praise For The

MATCHLESS TOWER MUSIC

OF THE DEAGAN

CELESTACHIME

St. Michael's Church
Conrad, Montana

December 9, 1952

Mr. Jack C. Deagan
J. C. Deagan, Inc.
Deagan Building
Chicago, Illinois

Dear Mr. Deagan:

As Chairman of the Commission on Church Music for the Diocese of Helena, I am obligated to do my utmost, to the end that only music of the very finest type be used in our churches. Therefore, when the time came for me to choose electronic bells for my own church, it was only natural that I should exercise the greatest caution before arriving at a decision.

I chose the Deagan Celesta-Chime for installation in St. Michael's Church because it is the only set of bells that I have ever heard that is absolutely in tune. Since your unique tuning process removes every trace of the minor third harmonic and the several other discordant partials which I have found to be normally present in bells and chimes of all types, I find that the Celesta-Chime is musically perfect, whether it be played in single notes only or with full harmonic accompaniment.

Very sincerely yours,

Leyden Mathias

I wish to take this opportunity to tell you of the great satisfaction which we have experienced with the Celesta-Chime you installed in Orchestra Hall nearly two years ago . . . In choosing chimes for the Chicago Symphony, it would have been unthinkable for us to have acquired anything that might not be perfectly in tune with the rest of the orchestra . . . we have found the Celesta-Chime to be perfectly free of the minor third harmonic, as well as the other out-of-tune overtones which characterize cast bells and their electronic substitutes.

George A. Kuyper
Manager,
CHICAGO SYMPHONY ORCHESTRA

. . . you may be interested to know that we selected the Celesta-Chime because we found it to be a truly musical instrument, capable of being easily played in perfect harmony from our organ console, and totally devoid of the weird overtones found in cast bells and the electronic devices which are used to imitate them . . .

Elwyn Carter
Head of Music Department
WESTERN MICHIGAN COLLEGE
OF EDUCATION

. . . of all the various types and makes of "electronic bells" I have heard, the Celesta-Chime is so far superior as to be beyond comparison . . . It had been my impression that all bell music had to sound more or less out-of-tune, but this was, of course, before I heard the Celesta-Chime . . .

E. E. Gordon
Passenger Traffic Manager,
CHICAGO & EASTERN
ILLINOIS RAILROAD

The CELESTA-CHIME establishes completely new standards of tone beauty in the field of amplified tower chimes, and makes available in the electronic form music markedly similar to that of the world-famous Deagan Carillon!

The exclusive five-point harmonic tuning which has for years distinguished the Deagan Carillon is also employed in tuning the tone bars of the Celesta-Chime, and sets this instrument apart from all other amplified tower chimes.

Two High Altars

The two High Altars shown on this page were executed in marble at the **Tommasi Studios** at Pietrasanta, Carrara, Italy, and installed by skilled artisans from their New York Studio.

Above, the entire Sanctuary of the Church of St. Elizabeth of Hungary, Linden, N. J., Rev. Louis Seiser, O.S.B., Pastor, was designed by John L. Barth, Bloomfield, N. J., architect of the church. Besides the Main Altar and Communion Rail, **Tommasi** also furnished the mosaic plaque for the Pulpit and executed and installed the Side Altars, the Baptismal Font, a statue of Our Lady of Fatima and the Stations of the Cross. The IVth Station, illustrated in lower right corner above, shows the inspiring effect of ivory-colored marble on gold mosaic background.

On left, the Main Altar in St. Mary's Church, Nutley, N. J., The Right Rev. Msgr. James J. Owens, Pastor; Frank J. Ricker, West New York, N. J., Architect. For this church, in addition to the Main Altar, the **Tommasi Studios** designed, executed and installed Side Altars, Communion Rail, Pulpit, and Pedestals.

Examples of Smyth's craftsmanship are in daily use in churches throughout the United States, from San Francisco to New York and from St. Paul to Galveston.

ONE hundred and thirteen years ago Smyth's of Dublin began to make works of art for the church by the same method that mediæval Irish craftsmen had used a thousand years before.

Now, with five generations of craftsmanship behind them, and still working in the tradition of the monks of old, they are producing works of art that rival the best mediæval examples. Both reproductions and modern designs are available, and can be supplied promptly in the United States.

Root Candles of 51%, 60% and 100% GUARANTEED percentages of beeswax, are rolled from tough sheets of beeswax, and burn with a clean, economical flame.

BURN LONGER

Root 51% and 60% Rolled candles average 15% longer burning than do standard altar candles of same weight, diameter and percentage of beeswax, tested under identical conditions.

BURN CLEANER

Root Rolled Candles smoke less because a larger portion of natural resins found in all beeswax are removed by a superior refining process.

NON-BENDING

Root Rolled Candles do not bend in hot weather because they are made from tougher wax extruded under higher pressure, and free from air bubbles. Moreover, tubular construction adds to their strength.

PLEASANT AROMA

You'll note the fragrant beeswax aroma of all Root Candles. Their purity also permits semi-transparent penetration of flame light down into the candle.

Four Good Reasons why

THE CATHOLIC CATECHISM of Cardinal Gasparri has done more to unify catechetical instruction than any other work.

CATHOLIC FAITH A CATECHISM

Edited by Rev. Felix M. Kirsch, O.F.M. Cap., Ph.D., Litt.D., *and* Sister M. Brendan, I.H.M., M.A.

should be used in your Schools

1 AUTHORITATIVE SOURCE

CATHOLIC FAITH is based on the definitive Vatican revision of Cardinal Gasparri's *Catholic Catechism,* long a standard Christian doctrine authority throughout the world, and itself based on the final authority, *The Catechism of the Council of Trent.* The theological accuracy and precision of the original source have been safeguarded in the CATHOLIC FAITH series.

2 TEACHABILITY

Teachers claim that students absorb the content of religious instruction more readily from CATHOLIC FAITH than from any other system, because of its lucid, dynamic presentation and striking pedagogical advantages.

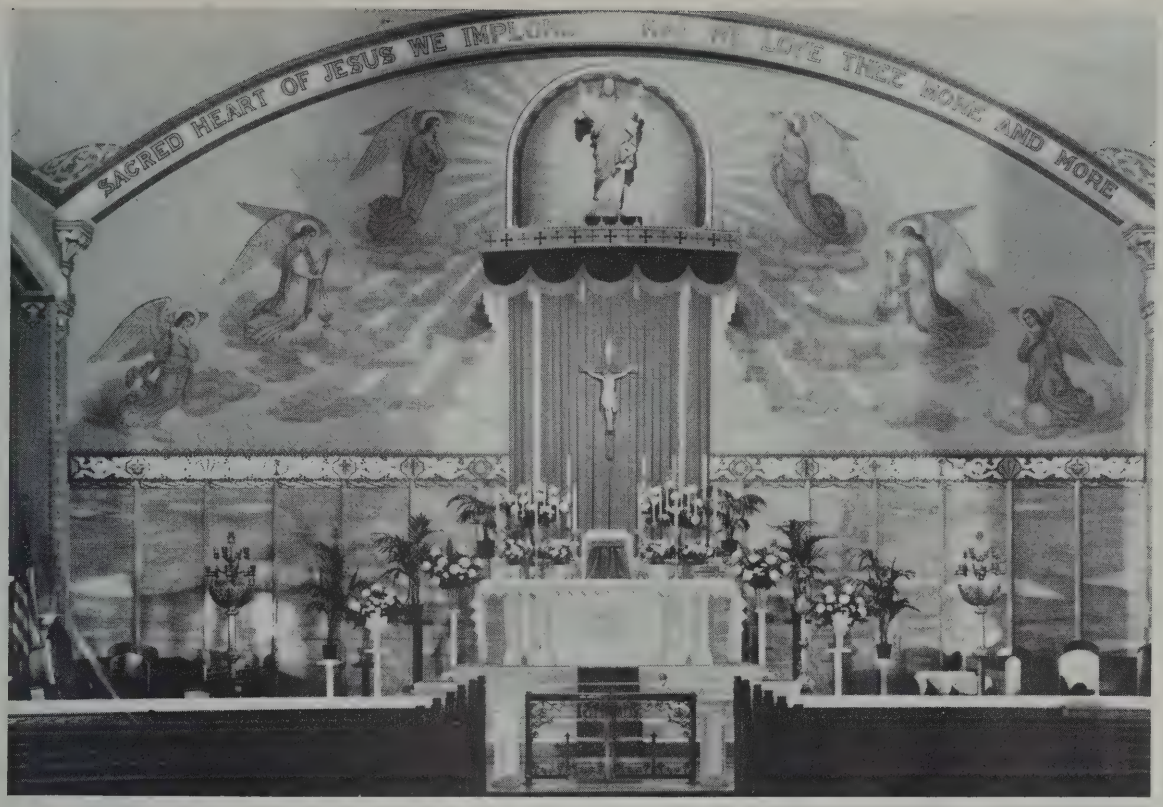
3 TEACHING AIDS

Three teacher manuals — CATHOLIC FAITH EXPLAINED, Books I, II, and III — correspond to the three textbooks, and each is arranged in two parts. The first explains the method and spirit of the entire program. The second develops each topic, page by page, and reveals the answers along with correct presentation procedures.

4 DURABILITY

CATHOLIC FAITH was the first catechetical series to discontinue using cheap, perishable bindings and to offer sturdy, durable, and beautiful books that last more than one term. This new departure has meant tangible savings to teachers and students — savings in both money and trouble.

NO OTHER CATECHISM CAN MAKE ALL THESE CLAIMS!



CATHOLIC FAITH, Book I	110 pages	$ .30/.25
CATHOLIC FAITH, Book II	234 pages	.45/.37½
CATHOLIC FAITH, Book III	367 pages	.75/.67½

Your Own INTERNAL Communication System ...Talk at the flick of a dial!

KELLOGG SELECT-O-PHONE

the INTERNAL automatic private telephone and paging system

A short-cut to simpler church and school administration

Here is instant intercommunication in its most practical form . . . Between rectory and church — church and school — convent and rectory — principal's office and classrooms, gymnasium, building engineer, etc. In effect, it is a "nerve system" that speeds messages and information in the easiest possible way between adjacent units in the parochial plant.

SELECT-O-PHONE gives communication *unlimited!* Anyone can speak to anyone else on the system. Conferences may be held between any or all individual instruments. There's no walking about — no switchboard delays — no interference with "outside" lines or instruments. SELECT-O-PHONE is entirely independent of the city telephone system — completely automatic.

SELECT-O-PHONE minimizes need for written memoranda and delivery — lets instructions and information flow freely, instantly and at *first hand.* It is perfect for parochial staff use because it keeps every conversation private — never disturbs — never reveals confidential messages.

It is proving its worth and more than repaying its modest cost in scores of church-administered schools, colleges and institutions today. Even the briefest of investigations will show how much it can do for you!

ONLY SELECT-O-PHONE OFFERS ALL THESE ADVANTAGES

• Simple, inexpensive installation • Easy expansion as needs change • Compact, automatic switching equipment • Every station a master station . . . anyone can speak to anyone else in the system . . . individually or collectively in conference • Systems for practically any need — from two lines up.

Editorial

THE YEAR 1953 finds the Catholic Church in the United States of America taking leadership in foreign missionary activities.

It also commemorates the centenary of the founding in the United States of the Society for the Propagation of the Faith, established several decades earlier by the indomitable Pauline Jaricot at Lyons, France.

In 1922, Pope Pius XI, appreciating the importance of this apostolic work, transplanted its headquarters from Lyons to the Vatican and gave to it pontifical status under the Sacred Congregation Propaganda Fidei and the Society has increased its spiritual effectiveness infinitely beyond the range of cold statistics. But the interesting and significant point to be recorded is that the Church in the United States, which in 1853 was very much a mission territory with many spiritual frontiers as yet uncharted, should so early in its history take leadership in the missionary apostolate of the Universal Church.

How youthful the Church actually was one hundred years ago is clearly recorded in the *Metropolitan Catholic Almanac and Laity's Directory* for 1853, where on page 247 we read:

> There are in the United States 6 archbishops, 26 bishops, 1471 priests, and 1545 churches, distributed among 34 dioceses and 2 apostolic vicariates. . . . The total number of Catholics in the United States will be about 2,096,300.

American Catholics were just getting used to having their own national identity. In North America the lines of Church jurisdiction at first were traced around the European nationality of the settlers involved. Many areas of disparate ecclesiastical jurisdiction—such as that of the English Jesuits in and around Maryland, that of the Spanish hierarchy by way of Cuban and later Mexican dioceses, that of the French in Quebec—had to be merged into one orderly national structure. In 1784, a prefecture apostolic under the future Archbishop John Carroll was preconized for the borning nation, and in 1789—at the same time that the Constitution of the United States was ratified by the last eligible state, Vermont—the leadership of the Catholic Church of the United States was finally entrusted to Americans. And it was not until 1908—only 45 years ago!—that the United States ceased to be rated officially as a foreign mission.

Long before 1908, however—long before the Society for the Propagation of the Faith started functioning in this country, the first foreign missioner from the United States, Reverend Edward Barron, set out to Christianize the African West Coast. That was in 1841. Since that time thousands of zealous men and women—priests, religious, catechists—have paid with their lives for the privilege of being Christ-bearers to the world. Today, in a new age of persecution, many of those missionaries of the United States have undergone unspeakable sufferings, even martyrdom, for their Faith.

It is appropriate, therefore, that the 1953 issue of THE OFFICIAL CATHOLIC DIRECTORY be dedicated—humbly, pridefully, reverently dedicated—to those noble men and women of America who have so fearlessly brought the Word of God to the uttermost corners of the earth.

FOR THOSE WHO USE THE CATHOLIC DIRECTORY

The exact page location of the various sections of the Directory mentioned in this Foreword may be found by consulting the alphabetical index on page vi.

A Public Service

Each year the editors of the Official Catholic Directory seek new ways of being of service to those who support it. Although the time may never be reached when the book will contain all that it could possibly have to be perfect in this respect, the latter is a goal towards which we are constantly aiming. After all, the Directory, in a broad sense, is no private enterprise carried on for purposes of personal profit. It is a work supported by its users as a public service and, as such, the format, arrangement and editorial features must be directed towards the convenience and needs of the public it is designed to serve. Nor does this policy stop with the editorial contents. The advertisements in the Directory are accepted by us with the user of the Directory in mind. It has always been our proud boast that our advertisers are *selected* rather than *solicited.* Before they appear in the Directory, the editors have made certain that the potential consumer can safely place full confidence in their products.

With this dedication to the public good in mind and because of the many editorial features and improvements constantly being included in the Directory, we believe it wise to devote some space and time towards giving you a clearer, more comprehensive idea of what the Directory contains and how to use these contents to best advantage. First then, we list a short summary of the parts of the book, after which we explain how they may be used.

What the Directory Contains

1. List of the Governing Bodies in Vatican City.

This is a list of all the officials, beginning with the Pope and continuing through the College of Cardinals. The duties of each of the Sacred Congregations and Offices together with its officials are given. A list of the National Colleges in Rome, together with a chronological table of the Popes, completes the Section.

2. List of the Provinces of the United States.

This is a list of all the Archdioceses and Dioceses of the United States arranged under the provinces to which they belong. The names of all Archbishops and Bishops together with appointment and consecration dates are given.

3. Detailed Reports from Archdioceses and Dioceses of the United States.

This section, forming the largest part of the book, gives the most detailed information on the Catholic Church in the United States. Examples of its wealth of information will be given later.

4. Detailed Reports on U. S. Possessions and Those Parts of the World in which American Priests and Religious Labor in Missionary Work.

This section contains substantially the same information on foreign territories as the preceding one does concerning the Catholic Church in the United States.

5. Special Listing of the Organization and Personnel of the National Catholic Welfare Conference.

6. General Statistics on Religious Orders of Men and Women.

In this section each Religious Order lists the number of Provinces it maintains, the superiors of the Provinces, the number of various classes of religious in the province, the number and kind of institutions it serves or maintains and the Dioceses in which its members are working. It is preceded by an exhaustive cross index.

7. A special listing of those societies engaged in missionary work giving the nature of their work, the territories in which their members are engaged and the local boards in various cities which aid or support them.

8. A list of the cities, towns and villages in which there is located a church with a resident priest or a Catholic institution, or both.

This section lists each city, the state in which it is located and the abbreviation of the Archdiocese or Diocese to which it belongs. A key to these abbreviations is given on a special page located immediately preceding the alphabetical list of places.

9. List of the Hierarchy of the United States alphabetically arranged, together with their addresses.

10. List of the Hierarchy of the United States arranged according to their seniority.

11. An alphabetical list of the Clergy, which includes all priests, both Secular and those belonging to a Religious Order or Community.

This list gives the diocese to which the priest belongs, the city and street address or institution at which he now resides, or his last known address.

12. Necrology of the United States Hierarchy and Clergy.

Here are listed alphabetically all those prelates and clergymen who have died since the last issue of the Directory. The address and diocese of each are given, together with the date of death.

13. A General Summary.

This is a general recapitulation of the statistics of each Archdiocese and Diocese. Total numbers for the United States and its possessions are given.

How to Find Things . . .

All these things the Directory contains—a wealth of names, statistics and relevant data such as few other books of reference encompass. It is indeed so much matter placed together in limited space that one may be excused a certain perplexity as to the quickest way to secure some particular point of information. A few pointers, then, may not be amiss.

. . . About the General Plan . . .

Each of the Reports of the various Archdioceses and Dioceses is alike in so far as the general layout is concerned. There is first a list of Officials. Then the churches in the See City are given, alphabetically arranged. This is followed by

a list of the Churches outside the city, alphabetically arranged according to places of location. With each Church are listed the parochial schools, missions, stations, and cemeteries associated with it. (Parochial cemeteries are identified by [CEM]; interparochial or joint cemeteries by [JC].) Following this is a listing of the Institutions of the Diocese. In the listings, arrangement of these Institutions follows closely the order of their presentation in the General Recapitulation. Postal delivery unit numbers are printed following street addresses in the diocesan listings. After the Institutional listings, there are summaries of the Religious Communities of Men and the Religious Communities of Women in the Diocese; a list of Diocesan cemeteries, if any; a Necrology listing those priests who have died during the year and, lastly, a Diocesan Recapitulation of Statistics.

. . . About Prelates . . . Let us suppose you want to know something about a prelate. If you know his name, the best place to look first is in the Alphabetical list of Secular and Regular Priests of the United States. This will give his full name and address as well as the Diocese to which he belongs. Upon turning to the Diocese, you will find, usually, the dates of his ordination, appointment and consecration, as well as the dates of his transference in the event he served in any other Diocese. You will usually also find his secretary's name and address, a point of information sometimes very useful. If you want to know what place he would take in solemn procession, consult the Seniority list of Bishops which immediately follows the Alphabetical list of Bishops and immediately precedes the Alphabetical List of Secular and Regular Priests.

. . . About Officials . . . In the event you wish some information concerning Diocesan officials, the Superintendent of Schools, let us say, you will find it in the Administrative Officials section directly under the name of the Bishop in each Diocese. In most cases both home and office addresses are given. You will also discover the ecclesiastical degrees and sometimes the higher educational degrees which should follow his name and formal address. All the officials connected with the governance of the Diocese are listed in this section. In the event that the address of the official you seek is not given, look him up in the Alphabetical List of Clergy.

. . . About Places . . . The place list of cities and towns in the United States tells you at a glance to just what archdiocese or diocese any particular one belongs. The cities and towns are arranged in strict alphabetical order and are followed by the abbreviation of the Archdiocese or Diocese where located. When a town has no post office, the correct mailing address or Post Office will be found in italics, immediately following the town desired, e.g. Reno, Iowa *Cumberland P.O.* DM. The Post Office address will be found in its alphabetical position with the name of the town where the church or institution is located immediately following in Roman type, e.g. *Cumberland, Iowa* Reno DM. Different localities have particular ways of abbreviating Rural Free Delivery. You will encounter it as: R.F.D.; R.R.; R. A key to the Diocesan abbreviations used will be found conveniently placed immediately preceding the alphabetical list of places.

. . . About Statistics . . . If you are interested in securing statistical information you can find it in the individual Recapitulations at the end of each Archdiocese and Diocese. These Recapitulations give the number of Institutions and the number of people attending them for the entire Diocese. We have taken from these Recapitulations those figures we consider to be most vital and summarized them in a general Recapitulation giving totals for the entire country. This will be found directly after the Clergy List and Necrology.

. . . About Clergymen . . . If you know the clergyman's name, the fastest way to discover his address is to look in the clergy list. This will give you his Diocese and address. If there is a number in brackets in the listing, he is stationed at the Church bearing that number in the city and Diocese indicated. The numbers are inserted only for Churches in the larger cities having ten or more Churches. If you are not sure of his name but know the city or town he is in, look that up in the Alphabetical list of places. This will give you the Diocese. The first priest's name in a parish listing is that of the Pastor unless otherwise identified. Often a parish has both a Pastor and an Administrator. In such instances, the latter's title is spelled out and the listing follows that of the name of the Pastor.

. . . About Religious Order Priests . . . Those priests belonging to Religious Orders are listed at the Churches and Institutions they serve. You will find at the end of each Diocesan report a list of the Religious Communities of Men active in that Diocese and the Churches and Institutions at which they are stationed. If you should desire further information about any particular order you can consult the Index to Religious Orders which directs you to more detailed and comprehensive information concerning the order. Since many Religious Order priests are engaged in Missionary work outside the United States the abbreviation of that province of his order to which he belongs is given, as well as his mailing address.

. . . About Brothers . . . In the United States, as well as in other countries, there are men who, while not ordained priests, live in community in the same manner as Religious Order priests. Some of these men are attached to Religious Orders of priests while others have formed their own Religious Community. Thus, in the Society of Jesus, there are ordained priests and brothers. On the other hand the Brothers of the Christian Schools, for example, have no connection with any Religious Order priests. You will find immediately following the Statistics on Religious Orders of Priests a listing of the Orders of Brothers who are independent of Religious Orders of Priests. Those Brothers who belong to Religious Orders of Priests are listed with their Order in the section devoted to Religious Orders of Priests.

. . . About Nuns . . . There are approximately 275 different Religious Communities of Women operating in the United States. To find general statistics on any particular one the first thing to consult is the Statistics of Religious Orders Section. Here you will find the number of Sisters, Postulants, Novices, etc. of each province, the number and kind of Institutions they maintain or serve and a listing of the Archdioceses and Dioceses in which they are represented. If you want to know, therefore, where the motherhouse of the nuns teaching at a certain school is located you have only to look the name up in the Religious Order Section. On the other hand, if you wish to know whether a certain order is represented at a certain school, you have only to consult the list of Religious Communities of Women in the Diocese, which you will find at the end of the report of each Archdiocese and Diocese.

The Complete Edition As you probably know, the Catholic Directory appears annually in three different forms. Volume One is the United States edition and contains information only on those Dioceses in the United States and its possessions. Volume Two is the Complete edition and contains everything in Volume One to which

are added also Diocesan reports for Canada, Ireland, England, Scotland, Wales, Australia, New Zealand, Cuba, Mexico and the Philippines. These reports for Canada are similar to those for the United States. There is also a List of Places for Canada which may be used exactly as the United States Place List. Volume Three contains everything in Volumes One and Two and is very substantially bound in cloth.

In this attempt to facilitate your use of the Directory, we have tried to cover all the questions which may arise. However, we realize that there may be some special aspect, peculiar to your work, upon which we have not touched. If this is so, please feel free to call on us for further information. As we have said, the Directory is a work of Public Service. Each year refinements and improvements are added. With your cooperation there will be more of these in the future. It is your Directory and, ultimately, will take whatever form serves you best. Accordingly, your corrections and suggestions are warmly welcomed.

PART I

Hierarchy of the Catholic Church

The Catholic Hierarchy, or the governing body of the Catholic Church, consists of His Holiness the Supreme Pontiff, assisted by the Sacred College of Cardinals and by several Sacred Congregations, or permanent ecclesiastical committees, of which the Cardinals are the chief members; by the Patriarchs, Archbishops and Bishops; by the Apostolic Nuncios and Delegates, Vicars and Prefects, and by certain Abbots and other Prelates.

HIS HOLINESS THE POPE

BISHOP OF ROME AND VICAR OF JESUS CHRIST,
SUCCESSOR OF ST. PETER, PRINCE OF THE APOSTLES,
SUPREME PONTIFF OF THE UNIVERSAL CHURCH.
PATRIARCH OF THE WEST, PRIMATE OF ITALY.
ARCHBISHOP AND METROPOLITAN OF THE ROMAN PROVINCE,
SOVEREIGN OF VATICAN CITY.

PIUS XII

EUGENIO PACELLI

NOW GLORIOUSLY REIGNING

The direct successor of St. Peter was born in Rome, March 2, 1876; ordained Priest, April 2, 1899; appointed Apostolic Nuncio to Bavaria, and promoted to the Titular See of Sardes, April 23, 1917; consecrated Archbishop by Pope Benedict XV, May 13, 1917; Apostolic Nuncio to Germany, June 22, 1920. Created and proclaimed Cardinal, December 16, 1929. Appointed Secretary of State, February 7, 1930. Elected Pope, March 2, 1939, crowned March 12, 1939.

VATICAN CITY

By virtue of the concordat signed on February 11, 1929, the Feast of Our Lady of Lourdes, ratifications of which were exchanged on June 7, the Feast of the Sacred Heart, the complete and independent authority of the Pope to rule in his own possessions was recognized by the state. The territorial possessions of the Holy Father are called Vatican City and within its limits the Sovereign Pontiff's authority is recognized as supreme.

The Sovereign of this small state is His Holiness, the Pope.

The Governor is Marquis Commendatore Camillo Serafini, born in Rome in 1864.

The Apostolic Nuncio to Italy is Most Rev. Giuseppe Fietta, Titular Archbishop of Serdica.

THE SACRED COLLEGE OF CARDINALS

The Cardinals, when duly constituted and proclaimed, form the Supreme Council or Senate of the Church. They are advisers of the Supreme Pontiff, and at the death of the Pontiff they elect his successor.

There are three orders of Cardinals, *Cardinal-Bishops, Cardinal-Priests,* and *Cardinal-Deacons;* but these orders are distinct from those of the Hierarchy. With very few exceptions, the Cardinal Priests are Archbishops or Bishops, and the Cardinal Deacons are Priests. The Sacred College of Cardinals, when complete, consists of 70 members—6 Cardinal Bishops, 50 Cardinal Priests and 14 Cardinal Deacons.

The Cardinal Bishops take their title from the Suburban Sees of Rome, which are: *Porto and Santa Rufina, Albano, Palestrina, Sabina, Frascati, Velletri.* The Cardinal Dean has united to his See the See of *Ostia.* The Cardinal Priests take their title from the "Titular Churches" to which they are appointed: the Cardinal Deacons are appointed to other Churches called "Deaconies." The first Cardinal Bishop is *Dean;* the first Cardinal Priest is *First Priest;* and the first Cardinal Deacon is *First Deacon* of the Sacred College. The Dean has the right of consecrating, and the First Deacon the right of proclaiming and crowning a new Pope. On the death of the Pontiff, the Cardinal *Camerlengo* has the Administration of the affairs of the Holy See.

(The "creation" of a Cardinal sometimes precedes, even by several years, the "publication and proclamation." The Cardinal is then said to be "reserved *in petto,*" and when proclaimed, he takes the precedence according to date of creation.)

Archdiocese of Indianapolis

(Archidioecesis Indianapolitana)

Most Reverend

PAUL SCHULTE, D.D.

Archbishop of Indianapolis; appointed Bishop of Leavenworth May 29, 1937; consecrated September 21, 1937; appointed Archbishop of Indianapolis July 20, 1946; formally installed October 10, 1946.—Chancery Office, *128 W. Georgia st., Indianapolis 25, Ind.* Office Telephone: Plaza 2579. Residence Telephone: Humboldt 4004.

ESTABLISHED A DIOCESE IN 1834; ARCHDIOCESE DEC. 19, 1944, BY DECREE OF POPE PIUS XII.

SQUARE MILES = 8,325.

Total Population (1950 Census) = 1,505,527.

Comprises the counties of Bartholomew, Brown, Clark, Clay, Crawford, Dearborn, Decatur, Fayette, Floyd, Franklin, Hancock, Harrison, Hendricks, Henry, Jackson, Jefferson, Jennings, Johnson, Lawrence, Marion, Monroe, Morgan, Ohio, Orange, Owen, Parke, Perry, Putnam, Ripley, Rush, Scott, Shelby, Switzerland, Union, Vermillion, Vigo, Washington and Wayne, and the township of Harrison in Spencer County, in the southern part of Indiana.

The Diocese of Vincennes (now Indianapolis) was established by decree of Gregory XVI, May 6, 1834, and the See was fixed at Vincennes. The territory then comprised the entire State of Indiana and the eastern part of Illinois.

By a decree of Pius IX, January 8, 1857, the northern half of the State was erected into the Diocese of Fort Wayne. The southern half of the State remained the Diocese of Vincennes.

The second Bishop of Vincennes, by Apostolic Brief, was permitted to establish his residence either at Vincennes, Madison, Lafayette or Indianapolis; the See city, however, to remain at Vincennes. This permission was renewed to the fourth Bishop, with the exception of Lafayette.

On the appointment of the fifth Bishop, he was directed to fix his residence at Indianapolis, but the Cathedral and title of the See were continued at Vincennes. By an Apostolic Brief dated March 23, 1898, the title of the Diocese was changed to that of "Diocese of Indianapolis," with the Episcopal See in the city of Indianapolis. By the same Brief the Patron Saint of the Diocese is to remain St. Francis Xavier, title of the old Cathedral, Vincennes.

On December 19, 1944, by the Executorial Decree of the Papal Delegate, Most Reverend Amleto Giovanni Cicognani, Archbishop of Laodicea, Apostolic Delegate to the United States of North America, the Papal Decree of Pope Pius XII was solemnly proclaimed in SS. Peter and Paul Cathedral, Indianapolis, elevating Indianapolis to the status of an Archdiocese, the State of Indiana being the Metropolitan Area. The Dioceses of Evansville and Lafayette in Indiana were created by the same decree and made Suffragan Sees of Indianapolis.
